Peels

UNIVERSAL PEEL / \$149 - 40MINS

Suitable for everyone and any skin concern, it visibly brightens, smoothes, decongests and revitalises the skin. Ideal for a first time peel or to maintain results from other peels.

CLARITY PEEL / \$149 - 40MINS

A powerful blend of acids that sink deep into pores to effectively clarify and decongest the complexion. Rapidly brings blemishes under control and dramatically reduces the risk of future breakouts.

EVEN PEEL / \$149 - 40MINS

A brightening peel targeting sun damage, hyperpigmentation and dull, uneven skin. Helps to restore a more even and radiant complexion.

REWIND PEEL / \$149 - 40MINS

A targeted formulation that helps to promote collagen production to reduce the appearance of fine lines and wrinkles.

MESOPEEL LACTIC 30% / \$149 - 40MINS

High-tolerance peel with a skin moisturising effect. It stimulates the production of new collagen and stimulates ceramide synthesis and modulates the barrier function. This treatment must be done 2 weeks prior to Cosmelan.

Cosmelan

7 MONTH PROGRAMME / \$1999 - 30MINS

Pricing includes Cosmelan Peel, 4x follow up sessions involving a cleanse and LED or hydrating mask and support, all take home products.

Cosmelan is the world's number one depigmentation treatment. If you are suffering from stubborn pigmentation, melasma, uneven skin tone and texture or post-acne scarring, Cosmelan treatment is a professional breakthrough procedure that will eliminate and control your pigmentation issues. Suitable for all skin types and colours, this two-phase intensive treatment program firstly involves a Lactic acid peel followed by 2 weeks later the application of a potent depigmentation mask that is applied in clinic and is left on the skin between 8-12 hours following the application.

The second treatment phase is an at-home solution that is applied twice daily. Included in this package are all the home care products needed for the treatment and 4x follow up appointments that include a cleanse and LED or Hydrating mask to enhance your skin clearing results and to offer support over the 6 months.

Passion flower and cranberry fruit extracts work in harmony with deep cleansing activities to restore a visibly clear and soothed complexion.

DEEP HYDRATION FACIAL \$169 - 60MINS

A multi-level hydration treatment delivering intense nourishment for dry, thirsty skin.

CALMING FACIAL \$169 - 60MINS

A professional treatment to soothe and comfort sensitised, irritated skin while restoring comfort levels.

ULTIMATE EXPERIENCE CRYSTAL FACIAL \$175 - 60MINS

Refresh your body and soul with this divine crystal infused facial. Inspired by the ancient Egyptians combining holistic techniques with modern-day results-driven ingredients to leave your skin feeling renewed and refreshed.

The facial begins with a deep breathing exercise followed by a radiance-boosting cleanse. Drift away with warm gentle steam and an enzyme powder peel to gently refresh and renew your skin.

Luxurious foaming cleanses to rid the skin of all impurities is followed by an infused Hydro jelly mask with cooling weighted Rose Quartz crystals on the face and décolletage, while you enjoy a multi Rose Quartz comb acupressure head massage to increase circulation, relax and bring nutrient rich oxygen to the cells and increase new hair growth.

The crystal energy emits a vibration which calms inflammation and encourages cell restoration, enriches your skin and improves circulation. Relax with a tranquil divine facial massage designed to leave you feeling deeply relaxed. Finishing the treatment with fortifying ingredients infused with cool rose quartz rollers to assist with lymphatic drainage and de-puffing the face.

This treatment is designed for deep blissful holistic relaxation. Naturally sculpting the face and neck, relaxing tight muscles, increasing glowing skin, switching the mindset to a positive one.

* Pregnancy and Breastfeeding safe

HYDRODERMABRASION - \$185

Hydradermabrasion also called Aqua Dermabrasion uses special serums that are being pushed into the deeper layers of the skin while the exfoliation process is going on. The technician is able to choose specific serums that address Acne, Hyperpigmentation, and Anti-aging or hydration, a microdermabrasion method cannot achieve this. It is also optional to include Electroporation Currents which helps increase the skin's ability to absorb products by three to six times and helps with skin lifting and firming.

This revolutionary skin resurfacing technology is perfect for all skin types and leaves skin clean, soft and radiant. It is clinically effective on the face as well as the body, and an excellent solution for deep cleansing, hydration, dead skin removal, and infusion skin repairing.

Hydra-dermabrasion will help to improve the appearance of:

- Blackheads and whiteheads
- Enlarged pores
- Excess oil condition
- Smoothes the skin's surface
- Promotes the production of collagen and elastin
- Supports the production of normal cells
- Enhances blood and lymph circulation
- Supports consistent cell turnover
- Reduces the appearance of wrinkles and fine lines
- Softens pigmented lesions
- Reduces the appearance of acne and acne scarring
- Moisturises, brightens, and calms skin with treatment serums

LED LIGHT THERAPY \$129 - 50MINS

A non-invasive skin treatment that emits wavelengths of light. These different non-harmful wavelengths of light have the ability to change and manipulate cell structure and target deep into the skin cells for multiple skin and anti-ageing benefits. It is a painless and relaxing treatment that is safe for all skin types.

A powerful treatment for skin rejuvenation, sun damage, acne, rosacea, eczema, psoriasis, dermatitis, sensitive skin and fantastic for wound healing and scarring as well as anyone looking to restore skin's radiance. Treatment also includes a Hydro Jelly mask and Ice globes.

DERMAPLANING \$99 - 40MINS

An exfoliating treatment aids in the removal of dead skin cells and fine facial hair also known as vellus hair or peach fuzz. This safe and effective treatment leaves the skin looking smoother and brighter. It allows for better product penetration and is perfect a few days before any big event. Includes enzyme treatment.

MICRO-NEEDLING

Skin needling, also known as collagen induction therapy is a must-have treatment for facial rejuvenation. Minimise the appearance of fine lines, pore size, scarring and improve skin tone and texture with this results-driven treatment that packs a powerful collagen and elastin building punch. The process works by creating micro-channels in the skin with our skin needling device, by doing this we are stimulating the healing response of your skin cells that encourages your skin to create collagen, also to allow products to penetrate deeper into the skin to deliver vital ingredients to where they are needed most for optimal skin function.
